Verification of Non-Filing Worksheet 2025–2026

You indicated on your FAFSA that you or someone in your family (if dependent) was not required to file 2023 taxes. As part of the verification process, the non-tax filer(s) is required to confirm via the IRS that no taxes were filed. The IRS provides a letter called the Verification of Non-filing that must be submitted to our office. Your parent or spouse must complete and sign this worksheet, attach any required documents, and submit to the Office of Financial Aid. UA Rich Mountain may ask for additional information. If you have questions about verification, contact a financial aid administrator as soon as possible so that your financial aid will not be delayed.
